

# The Art of Advocacy: Skills that Make a Difference

29 February 2024 | 5:00pm – 6:30pm BKT (GMT +7)  
In-person at SCL Nishimura & Asahi | Hybrid event

## About the event:

**The Chartered Institute of Arbitrators (Ciarb) Young Members Group (YMG) and the Young Thailand Arbitration Center (YTHAC)** are pleased to invite you to an engaging seminar on “The Art of Advocacy: Skills that Make a Difference”.

International commercial arbitration combines skills from both civil and common law systems. Successful advocacy, both written and oral, is often a challenge, especially when the case involves differing cultural and legal backgrounds, and several different languages. With experienced practitioners and arbitrators from across the region, this seminar aims to demystify advocacy in international arbitration. It will cover jargons, etiquette, do’s and don’ts, top tips, war stories, and other aspects of international arbitration, leaving you more confident to succeed in the field.
