Sponsorship and Advertising opportunities in www.Thailand-Construction.com

We commenced publishing www.Thailand-Construction.com (TCN) in July 2010. We have never really included advertising on the website, even though we regularly get requests from interested parties. We know we're '*a bit late to the party*' – it is 2026 - but we thought it was now time to commence offering Sponsorship and Advertising opportunities.

If your company would be interested in any of the following Sponsorship and Advertising options, please get in touch with us to discuss:

- **Platinum Sponsors –**
 - Your company logo advert on EVERY TCN webpage, under heading of 'SPONSORS'
 - Your company name referred to in each TCN News Article as 'This news article kindly sponsored by *your company name*'.
- **Gold Sponsors –**
 - Your company logo advert on EVERY TCN webpage, under heading of 'SPONSORS'.
- **Advertisers –**
 - Your company logo advert on TCN Home webpage only, under heading of 'ADVERTISERS'.

Explaining my new 2026 LinkedIn Status 'Recently Retired - but always interested in new opportunities'

If you look at my profile in [LinkedIn](#), you will see that my new 2026 status is '*Recently Retired - but always interested in new opportunities*'. Let me explain.

It was never my intention to retire now but to work for a few more years, however with the Taiwanese power plant I had been working on having been handed over to the client, the Japanese EPC Contractor I had been providing inhouse contract management services to for the past three (3) years decided going forward that they would continue without me.

As I had no client / work, I decided in December 2025 that I may as well retire, however as stated in my LinkedIn status, I remain interested in any possibilities of being employed for further works as contract manager or similar, or, for any new opportunities that any interested parties might consider my experience and knowledge is suitable for (I'm willing to consider most things).

Feel free to contact me at tcnthailand@gmail.com at any time to discuss.

Would you like to write an article for publishing in Thailand Construction News Website?

We are always interested in guest writers providing articles, the only criteria being that the article should be of interest to the general readership of Thailand Construction News subscribers, and be related to construction, engineering, law, etc., in Thailand, Cambodia, Laos, Myanmar and/or Vietnam.

- Do you have something to say about an aspect of the construction industry here or the construction recruitment industry?
- Would you like to reminisce about how you came to end up working as a construction expat here, or a particularly interesting story of your time here.
- Have something to say about the changing face of Asia, or something topical which irked you?
- We're particularly interested in what the 'Asia old hands' here have to say.

Why not have a go? We're sure there is something you would like to write a few A4 pages about.

Email us at tcnthailand@gmail.com to discuss your article idea.

<https://thailand-construction.com/>

*note to all: we are seeking articles from those who are genuinely working in construction and engineering, recruitment, etc., out here, who would be interested in contributing an article for free.

Just seen Mel Gibson on his way back from Asda

Two guys driving through Texas get pulled over by a state trooper.

The cop walks up and taps on the driver's window, the driver rolls it down, and the trooper smacks the driver in the head with his night stick.

"Ow!" says the driver. "Why'd you do that?"

The trooper says, "You're in Texas, son. When I pull you over, you'll have your license ready."

The driver says, "I'm sorry, officer; I'm not from around here."

The trooper writes the guy a ticket and gives his license back, then walks around to the car's passenger side and taps on the window.

The passenger rolls the window down, and the trooper smacks him with his night stick.

"Ow!" says the passenger. "What'd you do that for?"

The trooper says, "Just making your wish come true."

"What the hell does that mean?" asks the guy.

"Two miles down the road, you were gonna say, "I wish that lousy asshole would've tried that shit with me!"

Three Blondes were driving to Disneyland. After being in the car for four hours they finally saw a sign that said, "Disneyland Left," so they turned around and went home.

Did you hear about the blonde that got an AM radio?
It took her a month to realize she could play it at night.

Why is it when a man talks dirty to a woman it's called sexual harassment, but when a woman talks dirty to a man it's \$3.99 per minute?

A man met a beautiful girl and agreed to spend the night with her for \$500. So, they did. Before he left her apartment, he told her that he did not have any cash with him, but that he would have his secretary write a check and mail it to her, calling the payment "RENT FOR APARTMENT."

On the way to the office, he regretted what he had done, realizing that the whole event was not worth the price. So, he had his secretary send a check for \$250 and enclosed a note:

Dear Madam:

Enclosed find a check in the amount of \$250 for rent of your apartment. I am not sending the amount agreed upon because when I rented the apartment I was under the impression that:

- (1.) it had never been occupied;*
- (2.) that there was plenty of heat;*
- (3.) that it was small enough to make me cozy and at home.....*

Last night, however, I found that it had been previously occupied, that there wasn't any heat, and that it was entirely too large.

Upon receipt of the note, the girl immediately returned the check for \$250 with the following note:

Dear Sir:

First of all, I cannot understand how you expect a beautiful apartment to remain unoccupied indefinitely.

As for the heat, there is plenty of it if you know how to turn it on.

Regarding the space, the apartment is indeed of regular size but if you don't have enough furniture to fill it, please don't blame the landlord.

The Most Successful Personal Ad Ever Written

The following ad appeared in the Atlanta Journal:

SINGLE BLACK FEMALE seeks male companionship. Ethnicity not important. I'm a very good looking girl who LOVES to play. I love long walks in the woods, riding in your pickup truck, hunting, camping and fishing trips, cozy winter nights lying by the fire. Candlelight dinners will have me eating out of your hand. When you get home from work I'll be at the front door wearing only what nature gave me. Call (404) 555-1212 and ask for Daisy.

Over 1500 men found themselves talking to the Atlanta Humane Society about an 8-week old black Labrador

These are the filters we grew up with:

Little Johnny sees his Daddy's car passing the playground and go into the woods. Curious, he follows the car and sees Daddy and Aunt Jane in a Passionate Embrace.

Little Johnny finds this so exciting and can barely contain himself as he runs home and starts to tell his mother excitedly, "MOMMYSOMMY, IWASATTHEPLAYGROUNDAND DADDY AND.."

Mommy tells him to slow down. She wants to hear the story.

So Little Johnny tells her. "*I was at the playground and I saw Daddy's car go into the woods with Aunt Jane. I went back to look and he was giving Aunt Jane a big kiss, then he helped her take off her shirt, then Aunt Jane helped Daddy take his pants off, then Aunt Jane laid down on the seat, then Daddy..*"

At this point, Mommy cut him off and said, "*Johnny, this is such an interesting story, suppose you save the rest of it for suppertime. I want to see the look on Daddy's face when you tell it tonight.*"

At the dinner table, Mommy asks Little Johnny to tell his story.

Johnny starts his story, describing the car into the woods, the undressing, laying down on the seat, and....."*then Daddy and Aunt Jane did that same thing Mommy and Uncle Bill used to do when Daddy was in the army.*"

A US Border Patrol Agent catches an illegal alien in the bushes right by the border fence, he pulls him out and says "Sorry, you know the law, you've got to go back across the border right now."

The Mexican man pleads with them, "*No, noooo Senior, I must stay in de USA! È Pleeze!*"

The Border Patrol Agent thinks to himself, I'm going to make it hard for him and says "*Ok, I'll let you stay if you can use 3 English words in a sentence*".

The Mexican man of course agrees.

The Border Patrol Agent tells him, "The 3 words are: Green, Pink and Yellow. Now use them in 1 sentence."

The Mexican man thinks really hard for about 2 minutes, then says, "Hmmm, Ok. The phone, it went Green, Green, Green, I Pink it up and says Yellow?"

When you're trying to get adopted first 😂😂

Fair play to her. I definitely wouldn't have the nerve to balance a new born in my arms and a plant on my head

The 'Outro' [it never changes]: Your contributions are needed

Thailand has become home in recent decades to many expatriates from countries all over the globe and particularly for those of us in the construction, engineering, oil, petroleum, property and telecommunications industries. We work in huge industries, we're spread all over the nation and we're all so isolated and living in our little world that we all know a little bit of what's happening out there in the industries but there's currently nothing available as an instrument to convey and inform us more about what's currently happening outside one's little office, project site, 6 pm sundowners bar or wherever your little world is, other than word of mouth. TCN reckons that Thailand needs a 'jungle drum' to which we can all contribute to disseminate [ooh, big word – Ed] our own little knowledge to others. TCN wants to be that 'jungle drum' [a kind of an emailed version of the stuff you talk about in those rather nice bars in Soi 33 on the way home – that 4th beer is the dangerous one isn't it, eh! – Ed] to make it work though we will need the input of you, you and you - our subscribers. Contribute as much as possible, PLEASE.

To make TCN interesting and worthwhile we need your contributions, simply put we can't do it all on our own. The concept of TCN is that you use us to help you.
